I was born in Vredendal, it is three hours' drive from Cape Town. It is a little town. This little town is commonly known for its wine, because we have vineyards from (Um) there to Lutzville and (Um), wonderful ja, we make wine, red, white, you name it, we make it. I really love this place and I really miss it, because being in the city all that (Um) ja it's not lekker being in a big city when you're used to the farm life, its fresh air, trees, bosveld and ja that's about it.
